

## MARCHE TOUR, DEEP IN THE GREEN

*Walking in the green Marche nature, discovering little villages and flavours in the most fascinating places of our land.*

### 1st Day: Welcome at the country house in the Marche!

Arrival in the country house located in an old “casale” where you will enjoy of a rich welcome drink tasting salami and cheeses with local wine and “piadina”. Overnight stay.

### 2nd Day: Walking on the “Bandit road”, Montefabbri and the organic snack on the Big Bench. Urbino walking tour

Breakfast in the country house and, 1 minute far by car from the country house, you will arrive to Pontevecchio village where you could start your walking tour. A nice and easy round walking tour (6km.) using paths and country routes with only some short slopes, surrounded by marvelous Panorama of hills and mountains. You will arrive in the ancient village of Montefabbri where the time stopped at the XV century. On the way back, an organic “snack” made by a local farm to eat on the Big Bench surrounded by a country panoramic view. At the end of walking tour you could come to Urbino (15 minutes by car) for a light lunch with local foods and wine. Free afternoon visiting the old town, UNESCO heritage site; to see: Palazzo Ducale, San Giovanni horatory, Raffaello’s birth house. Moreover, walking through the Urbino historical streets and alleys, you could discover fantastic corners until arrive to Albornoz Fortress to admire the panoramic view of the town. Back to the country house and relax in the pool. Overnight stay.

### 3rd Day: Little castles and villages discovering the lost flavours: Piobbico, Rocca Leonella and “the sound of silence”, Cagli

Breakfast in the country house and then take your car for a day full of emotions and experiences driving in our land. First stop in Piobbico village, that had its maximum magnificence during Renaissance. Its historical heart hold a village built in local rocks at the base of the Brancaleoni castle. An easy panoramic path, where in 20 minutes walking maximum, you will enjoy a fantastic view to admire the Castle, its village and the nature that surround it. Continuing the tour, at 10 minutes by car, on the Rocca Lionella road; a little historical village full of atmosphere clinging at the mountain and the nature, where you could enjoy the real “sound of silence”. Lunch stop in an old “locanda” to taste the lost flavours surrounded by this fantastic atmosphere. If you would like to walk again deeper in the nature, a nice short and easy round path where in 50 minutes max you will be back in the village. Down by car from the mountain to Cagli historical town, free time in the main square tasting wine and “little treats”. Back to the country house and overnight stay.

### 4th Day: San Bartolo natural park: nature and Castles over the sea

Breakfast in the country house and then 40 minutes by car till San Bartolo Natural Park, to admire the fantastic panoramas between the sea and the hills watching little hamlets as: Fiorenzuola di Focara and Casteldimezzo. As for the other paths, you will be guided by our gps to a real beautiful walk itinerary between castle to castle until the “celing of the world” and, if you would like to walk more, you could continue your experience until Vallugola bay. A real pleasure seeing the sea, the hills, the hamlets, the “Riviera Romagnola”...flowers, trees, shrubs and hedges. Free lunch and see you soon in the Marche Region!
